

## Standardised Price list

All funeral directors are legally required to publish this Price List for a standardised set of products and services. This is to help you think through your options and make choices, and to let you compare prices between different funeral directors (because prices can vary).

### Unattended funeral

This is a funeral where family and friends may choose to have a ceremony, event or service for the deceased person, but they do not attend the burial or cremation itself.

<b>Burial (funeral director's charges only)</b>	<b>Not offered</b>
<b>Cremation (funeral director's charges plus the cremation fee) <sup>1</sup></b>	<b>£895</b>

Please discuss any **specific religious, belief-based and/or cultural requirements** that you have with the funeral director.

### Additional funeral director products and services

This funeral director may be able to supply a range of optional, additional products and services, or to arrange (on your behalf) for a third party to supply them. Examples include:
